

Custom Chemical Capability

Save Time
Reduce Cost
Increase Safety

LabChem is an ISO Certified Chemical Manufacturer

The Fisher Scientific™ Channel + LabChem works for you.

If you transfer chemicals from one container to another...
If you perform dilutions...
If you require acceptance testing...
If you blend two or more chemicals together...
If you have any chemical containers with handwritten labels...
Then it's time to consult with your Fisher Scientific contact.
Access the expertise of Chemical Specialists and market leading manufacturers to create the solutions that are exact best for you.

Company Description

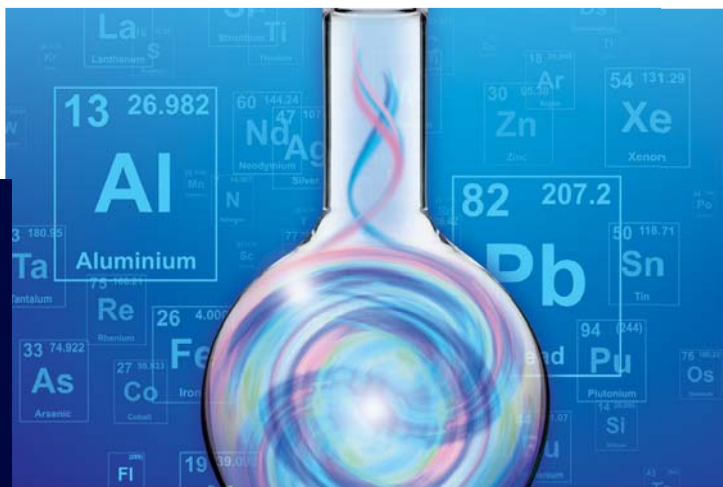

LabChem has been manufacturing quality laboratory solutions since 1986. Focusing on the customer's requirements and utilizing quality raw materials, our goal is to provide the products that get the job done. To accomplish this goal, we provide an extensive range of reagents and solutions for use in method chemistry. **LabChem excels in producing custom chemical mixtures.**
