

## Heavy Metals & Minerals Testing Kits

Save over \$300 with New Heavy Metals and Minerals Testing Kits

### Get Fisher Chemical acids and SPEX CertiPrep standards in one convenient kit!

Heavy Metals and Minerals Testing Kits are designed for routinely analyzed heavy metals and minerals. All kits come with six, 30 mL ICP-MS standards which includes a nitric acid blank for easy dilution. Conveniently packaged in a sturdy, heavy-duty carton, these kits are perfect to store on a lab bench or in a cabinet. The 30 mL ICP-MS standards ship non-hazardous, saving money on shipping costs. The smaller volume also allows for less hazardous waste should the standard expire before its contents are used.

Heavy Metals Testing Kit Bundle				
Includes: SPEX CertiPrep ICP-MS Single Element Analytical Standards and Fisher Chemical Optima Grade Nitric Acid				
Description	Concentration	Volume	Matrix	Part #
Arsenic	1,000 µg/mL	30 mL	2% HNO <sub>3</sub>	SPXHM-KIT-NA
Cadmium	1,000 µg/mL	30 mL	2% HNO <sub>3</sub>	
Chromium	1,000 µg/mL	30 mL	2% HNO <sub>3</sub>	
Lead	1,000 µg/mL	30 mL	10% HNO <sub>3</sub>	
Mercury	1,000 µg/mL	30 mL	2% HNO <sub>3</sub>	
Nitric Acid Blank	—	—	—	
Fisher Chemical Optima Grade Nitric Acid	—	500 mL	—	

### CERTIFIED REFERENCE MATERIALS

SPEX CertiPrep is the industry leader for 65 years in the CRM marketplace meeting the needs of laboratories worldwide with innovation and research. Accredited by A2LA to ISO/IEC 17025:2017 & ISO 17034:2016. Certified by DQS to ISO 9001:2015.

# Heavy Metals & Minerals Testing Kits (cont'd)

Minerals Testing Kit Bundle				
Includes: SPEX CertiPrep ICP-MS Single Element Analytical Standards and Fisher Chemical Optima Grade Nitric Acid				
Description	Concentration	Volume	Matrix	Part #
Calcium	1,000 µg/mL	30 mL	2% HNO <sub>3</sub>	SPXMT-KIT-NA
Iron	1,000 µg/mL	30 mL	2% HNO <sub>3</sub>	
Magnesium	1,000 µg/mL	30 mL	2% HNO <sub>3</sub>	
Potassium	1,000 µg/mL	30 mL	2% HNO <sub>3</sub>	
Sodium	1,000 µg/mL	30 mL	2% HNO <sub>3</sub>	
Nitric Acid Blank	—	—	—	
Fisher Chemical Optima Grade Nitric Acid	—	500 mL	—	

### CAN'T FIND THE STANDARDS YOU ARE LOOKING FOR?

SPEX CertiPrep can make custom pesticide standards to meet your exact needs. Contact your Fisher Scientific Sales Representative for more information.
